Profile

Preschool, primary, and high school teacher with approximately nine years of experience teaching English to learners aged 2–16. Recognized for the ability to develop and implement activities that enhance students' learning and behavioral skills. A strong team player with proven skills in resolving problems and conflicts professionally. Committed to continuously upgrading subject knowledge through ongoing professional development.

Professional experience

PRESCHOOL ENGLISH TEACHER

Jardín Infantil Piquín y Cocol, Bogotá, CO / 2017 - 2019

- Delivered creative and interactive activities to an average of 15 students aged 2–6.
- Developed literacy and numeracy skills in students learning a second language, providing additional support when needed.
- Implemented a variety of music- and art-based activities that enhanced students' creativity and increased learning motivation.

ENGLISH TEACHER

Peekaboo English classes, Bogotá, CO / Jan 2020 – Jun 2023

- Taught classes using engaging learning activities for students aged 3–12.
- Prepared English as a Second Language (ESL) curricula based on age-appropriate achievements and progressive objectives, strengthening the four communication skills: reading, writing, speaking, and listening.
- Implemented a program that enabled students to act out characters from storytime activities, improving children's speech clarity and confidence.

MONTESSORI TEACHER

Comunidad Montessori campestre, La Calera, CO / Jul 2023 – Jan 2024

- Working with lower elementary kids, inspiring and guiding young students to be independent learners and creative thinkers.
- Preparing a Montessori classroom to provide a stimulating yet ordered and safe learning environment.
- Creating individualized plans to meet each child's needs.

HIGH SCHOOL ENGLISH TEACHER

Gimnasio San Angelo, Bogotá, CO / Feb 2024 – Nov 2025

- Designed and delivered high school English lessons focused on oracy development, strengthening students' public speaking, debate, and critical discussion skills.
- Taught literature through guided reading, analysis, and written response activities, fostering critical thinking and interpretative skills.
- Led investigation-based classes on current events, encouraging research, media literacy, and informed discussion while developing students' analytical and argumentative abilities.
